

NVOCC – the new generation of services

A view to the world with Hamburg in our hearts

CLG Hamburg is a owner-run logistics company.

We offer forwarding agents a full range of logistics services including sea and air freight, truck transport, imports and exports, warehousing and customs clearance. By efficiently interconnecting the individual areas of transport we create cost-effective solutions for complete logistics models. As a neutral NVOCC service provider we can offer attractive export and import consignments especially in our core business of 'sea freight with full and shared containers'.

Connected communication for full satisfaction

Our expert team has years of specialist industry knowledge so you can take advantage of an excellent, reliable network of agents. We are always available to you with full dedication, extreme professionalism and a passion for transport and logistics. Your satisfaction is extremely important to us. You can count on a smooth and quick flow of information and the neutrality of your data just as much as you can on the expert, reliable handling of your freight. We use state-of-the-art software and hardware to achieve this aim as efficiently as possible and always on time. We will be happy to advise you on time and cost management.

Our services

Quick – direct – neutral

We are specialized in import and export by sea and air, especially to and from Asia. With expert competence and reliability, we accept your shipments on site and make them available to you after their import, or we can even deliver the shipments to you directly if desired.

Export to main ports:

Jebel Ali, Jakarta, Port Kelang, Bangkok, Busan, Singapore, Hong Kong, Xingang, Shanghai, Auckland, Alexandria, Ashdod, Aqaba. We are able to serve a large part of Asia through additional use of these major ports as transshipment ports.

Import from main ports:

Shanghai, Singapore, Ningbo, Qingdao, Xingang, Nhava Sheva, Kolkata, Hong Kong, Busan, Tuticorin, Kaohsiung, Keelung, Taichung,
Several pre-carriage from domestic places.
